

Look back move forward

The pandemic has changed us all as individuals, as families, as communities. What if anything can we build on and take forward with us? Where have people done amazing things? Where have communities come together to help?

We all make sense of our world through the stories we tell. Dudley Council wants to listen and learn from your stories of these times - stories from you, your neighbours, friends and family.

Dawn, Helen, Julie and Clare will be out and about locally over the next few months to meet people who have a story they would like to share. So, if you'd you'd like to talk to us, we'd love to listen!

Stitching together our memories.

We are also going to work with people from all over Dudley to make a large, wonderful quilt showing all of our collective memories of this time. More details to follow, but if you are interested please contact Dawn on: dawn.hart@tiscali.co.uk
